\*E-FILED - 11/21/08\*

On November 7, 2008, Defendants Melissa Suarez and Emily Tjhin filed an *ex parte* motion to extend the deadlines for expert disclosure and the expert discovery cutoff. On November 10, 2008, counsel for the parties met and conferred and reached an agreement to extend the deadlines for expert disclosure and the expert discovery cutoff. As such, the pending *ex parte* motion to extend the deadlines for expert disclosure and the expert discovery cutoff is

C 03 03767 RMW

1 now moot.

2 On August 15, 2008, the Court held a case management conference during which it set  
3 this matter for trial on April 6, 2009. The Court set deadlines of December 1, 2008, for expert  
4 disclosure and December 22, 2008, for the expert discovery cutoff.

5 Due to the limited availability of counsel and witnesses, the depositions of percipient  
6 witnesses in this matter will not be completed before the December 1<sup>st</sup> expert disclosure. As  
7 such, the parties agree that an extension of the deadlines for expert disclosure and the expert  
8 discovery cutoff is necessary.

9 Accordingly, the parties stipulate to extend the expert discovery deadlines as follows:

10 Expert disclosure January 21, 2009

11 Expert discovery cutoff February 13, 2009

12 I hereby attest that I have on file all holograph signatures for any signatures indicated by a  
13 “conformed” signature (/S/) within this efiled document.
